WHAT HAPPENS WHEN IT IS TIME FOR DAISY DAYS TO LEAVE?

Towards the end of service, usually about 20 minutes prior to service end, we will start serving wine and soft drinks in plastic cups (or you can provide us with some extra glassware for use from this time). We then deliver what's left of your alcohol to your desired location along with extra cups so you can keep partying on. We ask that you please provide us with tubs or eskies so we can transfer the left over drinks from the bar into these and also a bottle opened if required.

WHAT DO WE DO WITH RECYCLING & RUBBISH?

Unfortunately we are unable to take this with us and we ask that you nominate an area for us to leave all rubbish and recycling at the end of service. If you have bins, bags or even a trailer for us to leave this in, that would be fabulous. We do re-use beer and wine boxes where possible to keep the rubbish manageable and tidy. You will need to have a couple of extra bins around the venue for catering rubbish & recycling.
